

CRAWFORD FARMS HOMEOWNERS ASSOCIATION

There will be two Board Positions up for election at the Annual Meeting. Below is the list of Board nominees with some additional information about the candidates. We will also open up the floor for nominations at the meeting so there may be additional candidates as well.

Board Nominee Bio's

Keith Buchanan

I have been a resident of Crawford Farms since moving here with Verizon Wireless about 2-1/2 years ago. I am an architect by degree and joined the Architectural Control Committee this year.

Since my home backs up to the HOA facility, it would be one of my main areas of interest. I am concerned about the large, loud groups utilizing the basketball court at odd hours and the continuing wind damage being inflicted to the tennis court fencing.

I look forward to working with the residents of Crawford Farms to insure that CF remains a great place to live in. Thanks very much.

Cindy Cowan

My name is Cindy Cowan. I have lived in Crawford Farms for 3 years. For 2 of those 3 years I have been the Secretary of the Crawford Farms Board of Directors. I am currently running for re-election as Secretary. I see Crawford Farms as a very unique and fun place to live. I have enjoyed the challenges that have come my way as a member of the Board of Directors. I have been pleased to meet a lot of our residents! I am in my 9th year of employment with the Keller Independent School District and work as a Teaching Assistant in the Resource class at Freedom Elementary.

Sherba Cunnane

Nutritional Consultant and sales leader for a major health corporation.

I'm an active member of Gateway Church and Greater Keller Women's Club, volunteering for philanthropic giving. I've been a resident for 6 years, and have a passion for greater accomplishments in Crawford Farms. My 30+ years experience in building my company and managing the sales force indicates my abilities to work successfully with the public, to hear their concerns and meet their needs.

My desire is to protect our property values, covenant compliance, revised covenants for neighborhood enhancement and more reporting to YOU. I would like to serve you by adding my expertise to the current Board.
